D-Series

LED Downlight Family

It's All About Common Sense Solutions, Making Lighting Simpler

NICOR's D-Series luminaires offer a comprehensive family of LED downlight fixtures that complement one another no matter your design space needs. From LED color rendering and trim finishes to fixture performance, the design style of each luminaire is consistent across all fixture types. You can now achieve a harmonious look regardless of your application needs. The D-Series LED luminaires are a perfect choice for commercial, retail, institutional, and residential applications. Upgrading to energy efficient LED lighting has never been easier or more stylishly affordable.

DLR4 | DLR56

Recessed **LED** Downlight

Available in 4" 600 lumen and 5" & 6" 900 and 1200 lumen packages, the DLR Family is ideal for both retrofit and new construction. Redesigned to boost energy efficiency, offering a greater than 60 R9 value and keeping to the high standards of including a 90+ CRI, the DLR family has been upgraded with the latest technological advancements. Not only is the light quality better, but this design improvement meets new industry standards like Title 24 and CEC making it an ideal and affordable solution.

Available in Black, Nickel, Oil-Rubbed Bronze and White
Compatible with most 5" and 6" recessed housings (DLR56 Only)
Compatible with most 4" recessed housings (DLR4 Only)
Suitable for use in IC Rated recessed housings
60,000 hour life expectancy
Greater than 90 CRI with R9 greater than 60
Meets California Quality Specifications
Easy installation with adjustable torsion springs (DLR56 Only)
Easy installation with mounting clip system (DLR4 Only)
Wet Location rated
Dimmable to 10% with most standard dimmers
Durable construction with integrated trim
5 Year Warranty

DLR4

DLS4 | DLS56

Surface Mount **LED** Downlight

The DLS4 and DLS56 from NICOR® are the perfect LED downlight for surface mount applications. With the DLS all that is required for installation is a 4/O J-box. If there is already a housing in place, don't fret - the DLS is versatile enough for use in most 4" recessed housings. Upgrading to energy efficient LED lighting has never been easier, or more affordable. The DLS is dimmable to 10%, suitable for use in wet locations, and available in 2700K, 3000K, or 4000K color temperatures. The NICOR DLS provides superior efficacy and a longer life than compact fluorescents, with the pleasant light quality you expect from an incandescent lamp.

Easy surface mount installation into a plastic or metal 4/O J-box
Compatible with most 4", 5", and 6" recessed housings (*DLS56 Only*)
Compatible with most 4" recessed housings (*DLS4*)
Suitable for use in IC Rated recessed housings
50,000 hour life expectancy
Greater than 90 CRI with R9 greater than 50
Meets California Quality Specifications
Wet Location rated
Dimmable to 10% with most standard dimmers
Durable construction with integrated trim
5 Year Warranty

DLG4 | DLG56

LED Downlight Gimbal

The DLG4 and DLG56 are the perfect LED downlight for directional accent lighting. It's easy to use twist-and-turn design allows for fine adjustment of the gimbal position. The 360 degrees of rotation and 35 degrees of adjustable tilt in both directions makes the DLG suitable for sloped ceilings and wall wash. The sleek design enhances any interior space with its flush mounting and aesthetic appeal.

Compatible with most 5" and 6" recessed housings *(DLG56 Only)*
Compatible with most 4" recessed housings *(DLG4 Only)*
Suitable for use in IC Rated recessed housings
36,000 hour life expectancy
Greater than 90 CRI with R9 greater than 50
Meets California Quality Specifications
Easy installation with adjustable torsion springs *(DLG56 Only)*
Easy installation with mounting clip system *(DLG4 Only)*
Dimmable to 10% with most standard dimmers
Durable construction with integrated trim
5 Year Warranty

DEB56

5" & 6" Recessed LED Eyeball

The perfect LED downlight for wall lighting and sloped ceilings, The DEB56 from NICOR provides the flexibility for those applications where the standard DLR56 doesn't quite fit. With a 360°/30° range of motion the DEB56 gives you the ability to aim over 900 lumens exactly where it's needed.

Compatible with most 5" and 6" recessed housings
Suitable for use in IC Rated recessed housings
36,000 hour life expectancy
Greater than 90 CRI with R9 greater than 50
Meets California Quality Specifications
Easy installation with adjustable torsion springs
Dimmable to 10% with most standard dimmers
Durable construction with integrated trim
5 Year Warranty

DEB56

DLQ4

LED Downlight Square

Everything you love about the DLR4 is now available with the aesthetics of a square trim. Designed to boost energy efficiency, the LED light engine draws only 11 watts while achieving a light output to over 600 lumens. The enriched 90+ CRI light output provides superior color quality. Not only is the light quality better, but this design improvement meets new industry standards like Title 24.

Compatible with most 4" recessed housings
Suitable for use in IC Rated recessed housings
36,000 hour life expectancy
Greater than 90 CRI with R9 greater than 50
Meets California Quality Specifications
Easy installation with mounting clip system
Wet Location rated
Dimmable to 10% with most standard dimmers
Durable construction with integrated trim
5 Year Warranty
